

WILEUROPE 2017 SCHEDULE

The Lab is the home base for creativity, innovation and water, and an opportunity to work with inspiring thought leaders to invigorate ourselves and others in driving change. An unforgettable experience, a unique learning setting, and a jam-packed schedule! Lab participants will spend an exhilarating 5 days together, experimenting with ways to apply social entrepreneurship, innovation, and smartly designed dialogues to water issues.

LOCATION: We will gather at a beautiful location on the North Sea, at Nivon Natuurvrienden (Nature Friends), Kampeerterrein Banjaert; Burgemeester Rothestraat 53A, 1949 CC Wijk aan Zee, Netherlands

Sunday April 23 – Friday April 28
